## Magnificent Oversized Family Home

Step into the soothing ambiance of this impressive contemporary style family home which consists of 3 levels and has sweeping district views back to the city skyline and Centrepont Tower.

Spanning three generous levels with a versatile floorplan, this private, secure, light-filled home enjoys a coveted blue-ribbon setting just a brief stroll to Double Bay attractions, Redleaf Pool and top schools.

The lower level offers a separate bedroom and a sun filled rumpus room looking onto a beautiful green lawn and gardens, sparkling in-ground pool and entertainers terrace.

The main level comprises of a study, huge separate lounge and dining opening onto the entertainers deck overlooking the city.

The top level hidden away from noise contains 4 double bedrooms all with built-in wardrobes, two bathrooms and juliette style balconies off two bedrooms.

Features include:

- Oversized open plan kitchen with breakfast
